Café instructions

- Find the table with your number.
- You will have 10 minutes at each table- ~5 min presentation, 5 min disc.
- When you hear the signal, change to the next higher number (6 to 1).
- After we have seen all 6 technologies, we will discuss in plenary.

Questions to keep in mind

- Would this technology work well in my project?
- What groups would it target? Who would best partners be?
