

AGRILINKS

CREATING A POST

Welcome to Agrilinks.

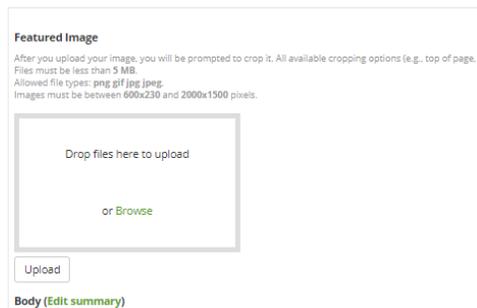

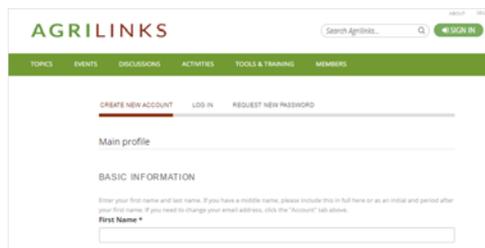

It's easy to post content – blogs, reports and resources.

Select the Post button in the upper right of the screen.

Chose Post from the drop-down menu.

Complete fields.

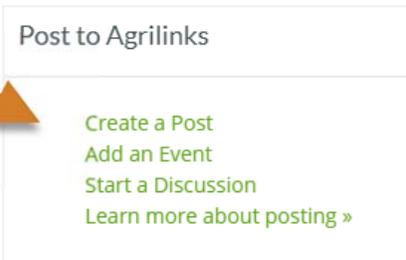

Check the topics that apply.

Add word tags for easy searching.

Save.

Simple and easy.

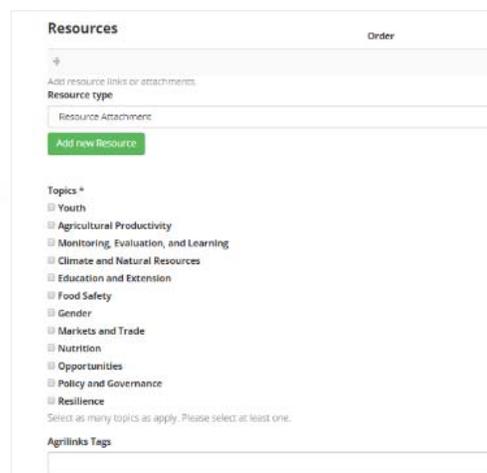

Add a title.

You'll be listed as the author. If you aren't the author, add the name and title as the first line of your post.

Upload a photo or graphic.

Add a description and attach resources.

Want more detailed help? See the FAQ at the bottom of the Agrilinks screen.
