- FTF Strategic Partnerships?
- USAID/India CDCS
- FSO portfolio
 - DO 3 - Bilateral Programs
 - DO 4 - Trilateral programs

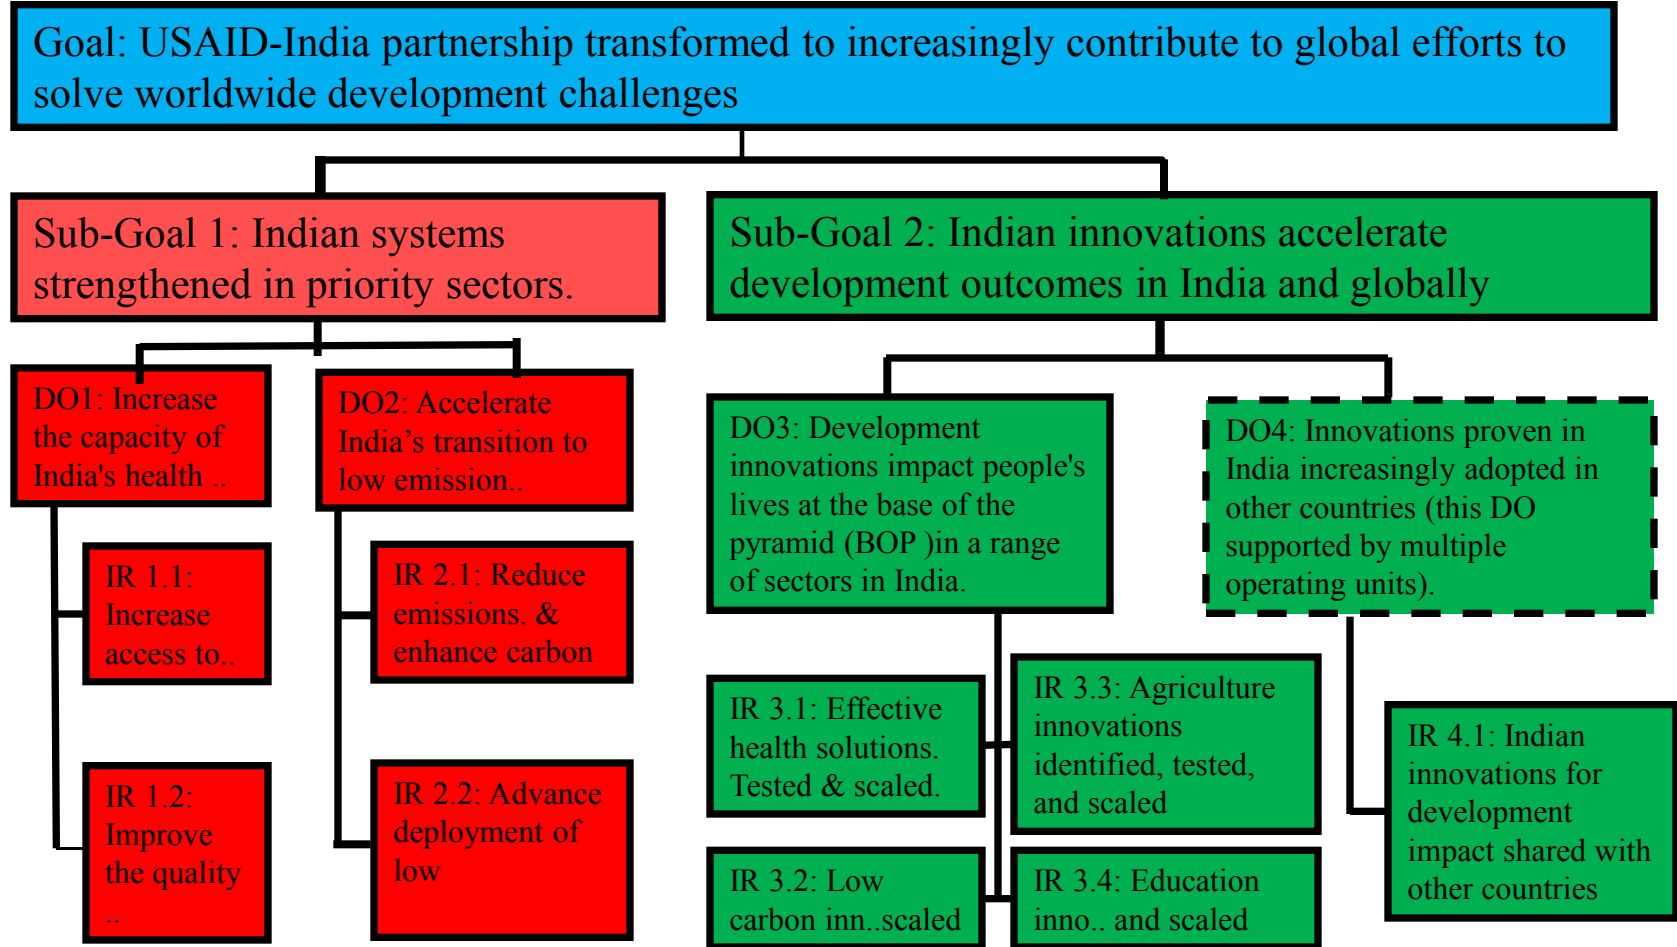

USAID | **INDIA**
FROM THE AMERICAN PEOPLE

◆ **Feed The Future Strategic Partnerships**

- ◆ **“Brazil, South Africa, and India are FTF strategic partners!”**
- ◆ **“A strategic partner country is not the primary beneficiary of the Feed the Future (FTF) initiative”**
- ◆ **A strategic partner may leverage its expertise, economic, or institutional resources to increase incomes, reduce poverty and improve nutrition in other focus FTF countries.GFS and USAID - 2010** ³

CDCS Results Framework

FSO Portfolio – Work in India

DO 3 – IR 3.3: Agriculture innovations identified, tested, and scaled. Activities include:

- CII – Model business hub development
- Agricultural Innovation Partnership (AIP)
- Pigeon pea improvement research program
- CSISA – integrated solutions to foster conservation farming

FSO portfolio – Work in India to Support Third Countries

DO 4 – IR 4.1: Indian innovations for development impact shared with other countries (since January 2013!) Activities include:

- **US-India-Africa triangular training program – trains 180 agriculturalists from Kenya, Malawi, and Liberia at MANAGE and NIAM in India**
- **India-Africa Agricultural Innovation Bridge – shares with and pilots Indian agricultural innovations in Kenya, Liberia, and Malawi**
