### Sync data

To sync data with the server, click on the sync button. While syncing, if some data is rejected by the server, you will get the opportunity to correct the data, or in case of duplicate entries, to discard it. The number in the button shows how many entries are yet to be uploaded. Clicking on the sync button will also download the database if it is not completely downloaded.

# Customized data gathering platform

The screenshot shows a web browser window with multiple tabs open, including 'Digital Green - Calendar', 'Induction', and two 'Digital Green' tabs. The active tab is 'Digital Green' with the URL 'www.digitalgreen.org/coco/v2/#'. The browser's address bar shows the URL and search, star, and menu icons. The page content includes a sidebar on the left with a 'COCO' logo and a 'Sync' button. The main content area features a 'Welcome to COCO!' heading, a sub-heading 'COCO helps you to seamlessly enter data in conditions of intermittent connectivity.', and several sections: 'Add data' with a plus icon and instructions; 'View Data' with a magnifying glass icon and instructions; 'Sync data' with a sync icon and instructions; and 'We value your feedback' with a speech bubble icon and contact information. At the bottom, there are status messages: 'Database last deleted and downloaded at Thu Jan 02 2014 17:19:22 GMT+0530 (India Standard Time)', 'Database last synced at Never', 'Current database version 1', and 'Entries to upload' with a dropdown arrow. A 'Delete and Download Database' button is located at the bottom of the main content area. The Windows taskbar at the bottom shows various application icons and the system tray with the time '5:20 PM' and date '1/2/2014'.
