Resilience & Risk Management Strategies: An Experience Exchange
LEARNING OBJECTIVES

• Hear colleagues from the region discuss the shock and stresses (risks) affecting various parts of the continent and how these impact market systems, livelihoods and well-being

• Discuss risk management strategies, including market-based risk management strategies, being used in the region to address these risks

• Identify new strategies and resilience approaches that may be relevant to their country or sub-region’s context
WORLD CAFÉ FORMAT

• MOVE: Divide yourselves among the tables

• LISTEN: Listen to the presenter for 5-10 minutes and then ask questions

• ROTATE: After 15 minutes, rotate to a new table – you will rotate 3x

• POST-ITS: After the discussion at the 3rd table, take a few minutes to write on post-its about your:
  
  o TAKE-AWAYS – strategies, lessons, concerns you didn’t know
  
  o QUESTIONS - you still have / info you would like

• READ-OUT: We will ask for volunteers to share
QUESTIONS TO CONSIDER

• Are the risks similar to ones in my country?

• Are there any emerging threats that I am worried about?

• How can these strategies be adapted to my context?
