# 15 MINUTES

# FEED THE FUTURE

The U.S. Government's Global Hunger & Food Security Initiative

## KPARBA CASE STUDY GIF DISCUSSION ROLE PLAY

You will be asked to facilitate a 30-minute GIF conversation with members of the project in your case study.

This will be a role play and other participants will portray project members

## YOU WILL NEED TO:

- Explain the goal of the group discussion
- Establish a common understanding of the context and the project by walking through the two yellow columns of the GIF and asking questions to ascertain agreement. (Available tools: blank GIF banner, Post-It Notes, print blank GIF)

## YOU WILL NEED TO PLAN TO:

- Facilitate group agreement on the primary problem(s) to focus on and the reasons why.
- **DELIVERABLE:** Flipchart highlights of discussion, ensuring the group's primary concern(s) is/are articulated.

## JUST TO BE SURE...

You should now have two new partners at your table who analyzed the same case study as you...

**Yes!**

## YOUR FEEDBACK PARTNERS

Your new colleagues who just joined you will be your feedback partners for this exercise.

Please share with them one thing you'd like them to watch for as you facilitate the role play/GIF discussion.

## IF YOU ARE A FEEDBACK PARTNER:

Turn to page 47 in your Participant Manual and use the Observation Sheet to guide your feedback.

## PREPARING TO PARTICIPATE IN THE ROLE PLAY

- For each Case Study, you will have two colleagues who have analyzed your project deeply
- In order for people in the cohort who did not have a particular case study to learn a bit about the other projects so they can productively “role play” being project members, we have created Case Study “cheat sheets.”
